"BLACK GOLD BRICKS"
Universal 1-Reel Comedy
Starring BERT ROACH

* * * *

Neely, sent to pay the rent, falls for an oil salesman's glib line, but Bert saves the day by stealing his master's wallet so he can't purchase the stock. A dog runs away with the wallet, which is recovered only after a long chase over land and (through) water.

The oil salesman tries to interest Alice in his proposition but she throws him out of the house, time after time. Neely again falls for the sales talk and gets beaten up by Alice, who orders Bert to throw all Neely's oil samples in the sink. While her husband is burying all his worthless shares, his pick strikes the buried waste pipe and up squirts a gusher! The gusher's source is discovered, however, and Neely swears off buying oil again.
